

TEMPLATE: INTRODUCTION OF DELEGATES

	Name	An Watteyn
	Organisation	Mentor vzw
	Job description	Coach for people with mental, medical, psychological and psychiatric problems
	Contact details (email-adress, telephone number, ...)	a.watteyn@mentorvzw.be 0032 (0)56 26 44 34
Brief introduction	<p>Among the unemployed population is a group of job seekers with <u>non-labor related problems</u>. These problems are quite varied in nature (medical, mental, psychiatric or psychological) and can't be addressed by additional guidance in the context of a guidance to work or skill enhancement.</p> <p>In this context, a provincial partnership of various work and welfare partners (including Mentor) are working together on both <u>medical, mental, psychological or psychiatric problems</u> and the <u>socio-economic, social and / or psychosocial barriers to work</u> that prevent a pathway to (sustainable) employment (or labor care).</p> <p>A coach for people with MMPP-problems (mental, medical, psychological and psychiatric problems) helps the clients with a realistic <u>job orientation</u>, works on <u>personal barriers to work</u> and organizes <u>work experiences</u>, mainly through internships.</p>
